The Union shall be given the opportunity to be represented at discussions between the Town and Union members concerning grievances subject to Article VII of this Agreement.

Representatives of the Union shall be permitted to enter the premises of the Police Department at reasonable hours, when necessary, to investigate existing grievances, after obtaining approval of the Chief of Police. The Union agrees that care will be exercised by such representatives that they do not interfere with the performance of the duties assigned to employees covered by this Agreement.

Leave of absence without loss of wages, benefits or other privileges may be granted to one elected officer of the Union to attend New England PBA (NEPBA) quarterly business meetings, conventions and/or functions. Such leave shall not exceed four (4) days per year and shall not carry over into the next year. Written notice will be given to the Chief of Police at least one (1) week prior to the meeting.

Neither the Town nor its representatives or agents shall interfere with, restrain, or coerce employees in the exercise of their right to self-organization, to form join or assist an employee organization to bargain collectively through representatives of their own choice on hours, wages, and other conditions of employment, and to engage in other concerted activities for the purpose of collective bargaining as authorized by law.

Neither the Union nor its representatives or agents shall interfere with, restrain, or coerce employees in the exercise of their right to refrain from organizing, forming, joining or assisting any employee organization to bargain collectively on questions of wages, hours and other conditions of employment.

Neither the Town nor the Union shall discriminate against employees in the exercise of their rights, freely and without fear of penalty or reprisal, to form, join, and assist any employee organization or refrain from any such activity in accordance with the Collective Bargaining by Public Employees Act (Chapter 1978, Act of 1973, as amended).

In the administration of all matters covered by this Agreement, the Town, Union officials and employees are governed by the provisions of any existing or future laws and regulations. This Agreement shall at all times be applied in accordance with and subject to such laws. Should any provision of this Agreement be deemed to be in conflict with any such laws, it may become the subject matter of discussion by the parties hereto for the purpose of attempting to negotiate a substitute provision in compliance with the requirements of such laws.

Nothing contained in this Agreement shall abridge, alter or diminish any rights established by and contained in the Civil Service Laws of Massachusetts as set forth in General Laws, Chapter 31, as amended, which become effective during the existence of this Agreement and which are granted to any individual employee covered by this Agreement, to the Union, and to the Town and its management officials.

Therefore, an employee shall have the right to present any matter of personal concern to his/her immediate supervisor for adjustment without the necessity of intervention of the Union, as long as such adjustment is not inconsistent with the terms of this Agreement, provided, however, that the Local Union President may, if time permits, be advised of the existence of such matter of personal concern and, with the approval of the employee, will be given an opportunity to be present, as an observer, during discussions between the employee and his/her supervisor to resolve the problem. The arbitrator shall arrive at his/her decision solely upon the facts, evidence and contentions as presented by the parties during the arbitration proceedings.

Section 1: Regular full-time employees will accrue sick leave at the rate of one and one-quarter (1 1/4) days for each month of active service, (not to exceed fifteen (15) days in any year); such sick leave may not be used until completion of six (6) months continuous active service. Employees may accumulate unused sick leave days up to a total accumulation of two hundred twenty-four (224) days. New employees originally hired after July 1, 1989 may accumulate unused sick leave days up to a total accumulation of one hundred eighty (180) days.

Employees hired on or after July 1, 1997, shall accrue sick leave at the rate of one (1) day per month not to exceed 12/yr. with maximum accumulation of one hundred twenty (120) days. Such employees shall be compensated at retirement with one (1) day pay for each two (2) days of accumulated sick leave over fifty (50) days.

Except in the case of unusual circumstances, an employee who is to be out sick on a shift shall report such to the Commanding Officer one hour and one-half (1 ½) before the start of the shift and shall report the nature of the illness and the place of confinement.

The granting of non-occupational sick leave and payment of compensation during such period shall be subject to the following provisions:

- A. The Chief of Police, without medical evidence, may grant sick leave with pay to any employee of his/her Department a maximum of eight (8) days in any calendar year, but not more than three (3) days at any one time.
- B. For a period in excess of three (3) consecutive days, the Chief of Police may require a doctor's certificate from the employee.
- C. For each unexcused absence in excess of ten (10) days in any calendar year the Chief of Police shall also require a doctor's certificate from the employee. The Chief of Police may also require a doctor's certificate if he/she believes there is a pattern of sick leave abuse.
- D. In case of requests for sick leave due to the serious illness of a member of the employee's immediate family, the Town may require evidence of the necessity for such absence in the form of a physician's certificate, as a condition precedent to approval of such request.

Any employee who accumulates more than one hundred (100) sick days, shall be compensated at one day's pay for every three (3) days of accumulated sick leave over said one (100) days at the time of retirement. There is no buy back of sick leave for any employee with less than one hundred (100) days sick leave.

Section 2: Sick Leave Buyback

Notification with regard to intention to retire and receive sick leave buy back will occur as follows:

- A. An employee who wishes to retire shall provide written notification of his/her intention to retire, specifying a tentative date, to the Chief of the Department by December 1 of the fiscal year prior to the fiscal year of retirement. An employee who gives the required notice in a timely manner shall receive sick leave buy back at retirement. If the employee fails to give the requisite notice by December 1, the Town will not be required to make the buy-back payment until a transfer of funding can be made at the next Town Meeting. The deadline for the fall Town Meeting is July 1st. The Town may make partial or full payments of sick leave buy-backs when insufficient notice is given if funds are available in sick leave buy-back budget items, but such payment shall not establish a precedent.
- B. Employees who state an intention to retire under this section but who subsequently chose not to retire shall retain all rights and benefits due to them under law and this Agreement.
- C. This section shall not apply to employees who separate from service due to death or disability.
- D. Effective January 1, 2013 this section shall no longer apply to members of the bargaining unit. All members of the bargaining unit as of that date shall have the option of either; retaining sick leave buy back or accepting the longevity steps. Any member choosing the sick leave buy back option must do so in writing to the Director of Personnel, not later than 30 days after the Town Meeting at which the contract is funded is dissolved. If the member takes the sick leave buy back option the member still is eligible for longevity step(s) up to a four (4%) percent maximum. If no option is elected, the supervisor(s) will be paid the longevity step(s) but will not remain eligible for leave buy back.

ARTICLE XXVII- BEREAVEMENT LEAVE

Section 1: In the event of a death of a Union member's immediate family, the member will be permitted to be absent for four (4) work days without loss of pay based on the member's straight time hourly rate of pay. The immediate family is defined as parent, spouse, parent of spouse, children, brothers and sisters, grandchildren, and grandparents of the employee. The Chief of Police may grant additional time upon request from the employee in special circumstances.

Section 2: In the event of the death of a member of a Union Member's family, the member will be permitted to be absent for two (2) work days without loss of pay based on the member's straight time hourly rate of pay. The family for this section is defined as Aunts, Uncles, Niece, Nephew, brother-in-law and sister-in-law of the employee. The Chief of Police may grant additional time upon request from the employee in special circumstances.

ARTICLE XXVIII – MILITARY LEAVE

Section 1: Each supervisor will be granted a leave of absence from work without loss of pay, up to a maximum of seventeen (17) days in one (1) calendar year, to members of the Reserve Armed Forces of the United States and of the National Guard, when required to perform reserve duty training.

Section 2: A supervisor who has been activated for military duty shall be compensated under Chapter 137 of the Acts of 2003.

ARTICLE XXIX PERFORMANCE APPRAISAL

The Chief of Police shall have the right to develop and implement a system of performance evaluation which shall be used to evaluate the performance of members of the Union. Said system shall be developed during Fiscal Year 2006.

The results of these evaluations shall not be used to discipline employees or serve as the basis for changing employee benefits, rights, wages or seniority. In addition, the members of the Union agree to perform performance evaluations of Patrol Officers pursuant to the performance evaluation system implemented by the Chief of Police for Patrol Officers.

ARTICLE XXX- INJURED ON DUTY LEAVE REPORTS

In compliance with "Injured on Duty" leave procedures, it shall be the responsibility of the employee to

immediately report to his/her supervisor any injury sustained as a result of the work of the department and further that all reports, doctors certificates, and medical records shall be provided to the Town in a timely fashion.

Any employee claiming injury leave will provide the following documentation to the Chief:

- A. Documentation of the incident causing injury.
- B. Evidence of incapacitation from a physician qualified to make such determination.
- C. Opportunity for the Town to evaluate the employee at regular intervals of not less than three months.
- D. Medical release relative to claimed injury to Town's agent or medical provider.

Injuries and/or illnesses sustained in the performance of duty shall be handled in accordance with M.G.L. c.41, section 11 1F, except as specified in this Agreement.

If after missing 20 working shifts, an officer out on I.O.D. is unable to return to full duty status, then the Town designated physician may examine the officer to determine his/her fitness to perform light/limited duty. Before making a determination the Town Physician shall consult with the officer's attending physician.

If the Town designated physician and the attending physician are unable to agree concerning the officer's ability to perform light duty, the two physicians shall select a third impartial physician, in the relevant specialty area, from a list of Mass. physicians maintained by the Mass. Medical Society, to examine the officer and render an opinion. The cost of this examination shall be borne by the Town.

Each physician who administers an examination under this procedure shall be provided, by the Town, a detailed analysis of the physical requirements of the light/limited duty tasks specified herein below, and shall be asked to make their determination of the fitness of the examined officer to perform the specific physical requirements of each light/limited duty task. Each doctor's report shall specify which, if any, limited duty task the examined officer is not capable of performing.

The determination of the third examining physician shall be binding on all parties. If indicated, such light duty shall be effective immediately, or if it is not indicated, the officer shall continue to be carried on I.O.D. status.

In the event that an officer is assigned to light duty, such light duty shall not interfere with ongoing medical treatment. If an officer cannot physically transport himself to the station for light duty, the department will provide such transportation as needed. Officers on light duty may be permitted to receive required medical treatment during assigned duty hours.

If an officer is assigned to light duty, he shall be assigned to his/her regular shift for such light duty. Notwithstanding the foregoing, if the officer's physician certifies in writing that the officer's recovery would be enhanced by working the day shift, then the officer will be given consideration for day shift assignment. If the written certification of the officer's physician is deemed unsatisfactory by the Chief, then the matter will be referred to the Town physician who shall consult with the officer's physician. In the event of a disagreement on this issue between the two physicians, the matter will be referred to the third impartial physician for a determination.

An officer injured while on an off-duty status shall be equally eligible for light duty on a voluntary basis, subject to the approval of the officer's attending physician, and the Chief of Police, who may require an examination by a Town-designated physician.

An officer on I.O.D. or light duty status shall not engage in any activity detrimental to his/her recovery.

Limited duty assignments shall not affect the shift assignments, or shift bid possibilities, of other members. Employees shall be assigned to limited duty on the same shift as their assignment before the injury, except as provided above. Light duty assignments are not of permanent duration and shall not continue longer than one (1) year.

The Town agrees that any employee who works less than a full week on light/limited duty shall be considered to be on injured on duty status for the lost time and shall be paid in accordance with M.G.L. c.41, section 111F.

It is understood by the parties that this provision is not intended to be used as a means of punishment. The Chief will not require an officer to report for light/limited duty and sit idly if there is no legitimate work available.

An officer assigned to light/limited duty may be required to wear a uniform. The Department will not hold employees on light duty accountable for not responding in emergency situations, if they are prevented from doing so by the injury necessitating light duty.

Light/limited duty tasks shall include the following:

1. Dispatching
2. Teletype operations
3. Training (non-physical)
4. General clerical work
5. Crime prevention (citizen's assistance and operation ID)
6. Assist in property and evidence room
8. Computer operations
9. Other limited/light duty tasks as agreed upon by the Chief and the Union.

Disputes regarding interpretation of the application of this policy will be subject to the grievance and arbitration procedures contained in the collective bargaining agreement between the parties, except for medical condition.

Once application for retirement is made, the employee shall return to his/her prior I.O.D. status or sick leave whichever is appropriate. If the Local Retirement Board denies his/her application, the employee shall return to modified duty only to fill the remainder of his/her one year term. (The one year term shall not include that period of time that his/her application for retirement was pending.)

ARTICLE XXXI- EMPLOYEE ASSISTANCE

The Town of Natick and Local 622 commend to the employees the use of the Town Employee Assistance Program for themselves and their families and further urges its employees to participate in educational sessions and other services provided by the E.A.P.

It is agreed that the use of drugs and alcohol is prohibited during any work period and any employee who reports to work under any influence of intoxicants or unlawful drugs shall be subject to immediate disciplinary action.

In the event that a bargaining unit employee temporarily loses his/her right to carry a firearm during duty as a result of a civil restraining order, said employee shall be re-assigned by the Chief of Police to other responsibilities within the department. However, the Town shall retain its right to discipline or discharge an employee for any misconduct related to the issuance of or during the period of civil restraining order.

ARTICLE XXXII - OPERATIONS, SAFETY & EFFICIENCY COMMITTEE

Notwithstanding Chapter 1073 of the Acts and Resolves of 1973, the Town may, in addition to filing a petition with the State Labor Relations Commission, petition the Court for an injunction and seek any other appropriate legal remedies.

ARTICLE XXXV, MANAGEMENT'S RIGHTS

The Town shall retain all rights and authority the Town has prior to the signing of any collective bargaining contract with the Union except those rights which are explicitly and specifically modified by the express terms of this Agreement. Notwithstanding the provisions of this contract, the Town shall retain and exercise through its Chief of Police all rights to manage and control the Natick Police Department and its employees that are given to the Town by the applicable statutes of the Commonwealth of Massachusetts and this is expressly understood by the parties to this Agreement. The Chief of Police shall make all suitable regulations governing the Police Department and the Officers thereof in immediate charge of all Town properties used by the Department and of the Police Department and the Officers thereof in immediate charge of all Town properties used by the Department and of the Police Officers whom he shall assign to their respective duties and who shall obey his/her orders. Nothing in this Agreement will be construed to abridge or modify the powers of the Chief of Police.

ARTICLE XXXVI, APPLICABILITY OF LAWS

All benefits previously established by statute, by-law, Civil Service Law, Personnel Board Policy, or department policy with regard to vacation, sick leave, insurance, bereavement leave, overtime provisions, call-back pay, paid details, holiday pay, and any other conditions of employment presently enjoyed and not in conflict with the provisions of this Agreement shall be continued in full force and effect.

This Agreement incorporates the entire understanding of the parties on all issues which were or could have been the subject of negotiations. Any matter not specifically covered by this Agreement is not a part of this Agreement unless specific reference in this contract is made to a by-law or statute or rules and regulations.

The Union acknowledges that during the negotiations which resulted in the Agreement, it had the unlimited right and opportunity to make demands and proposals with respect to all proper subjects of collective bargaining, and that all subjects have been discussed and negotiated and the agreements contained in this contract were arrived at after free exercise of such rights and opportunities. Therefore, the Union voluntarily and without qualification waives the right and agrees that the Town of Natick shall not be obligated to bargain collectively with regard to any subject or matter referred to or covered by this Agreement or with respect to any subject matter not specified or referred to in this Agreement except by the mutual consent in writing of the parties hereto.

ARTICLE XXXVIII, DURATION

This contract shall extend from July 1, 2012 to June 30, 2015 and shall continue in force and effect thereafter while the parties are negotiating toward a new Agreement. Either party wishing to modify, amend or to commence negotiations for a successor agreement must notify the other party in writing not more than one hundred eighty (180) days or less than ninety (90) days prior to the expiration date as set forth above. After receipt of notice by either party, a conference will be held within thirty (30) days between the Town and Local 82's Negotiation Committee for the purpose of negotiating such amendments, modifications or agreement.

This Agreement shall remain in full force until a new agreement has been agreed upon and signed.
